Dear friends

**Re: European School of Internal Medicine (ESIM-10) Portugal:
9 – 16 September 2007**

The ESIM-10 will take place this year between 10 and 15 of September in a location mid way between Lisbon and Estoril, near the beach. Arrival date will be Sunday 9 September, departure date Sunday 16 September.

The fee will be the same as last year: 900€ per resident which will include transfers, sessions, hotel and meals. We will arrange to meet the residents at Lisbon Airport on 9 September and return them on 16 September.

We can accommodate about 60 residents and we hope to have a good mix of nationalities.

Further details will be presented at the Administrative Council meeting on 23 May in Lisbon. I look forward to hearing from anyone who would be willing to participate as a Lecturer. A list of topics will be available soon.

We expect to have the usual collaboration with all the EFIM national societies and a presence of some residents from other continents.

With kind regards

António Martins Baptista
Director of ESIM
