To: The Spanish Society of Internal Medicine (SEMI) and the Sociedad de Medicina Interna de la Comunidad Valenciana (SMICV):

Dear Dr. Montserrat Chimeno,

On behalf of the European Federation of Internal Medicine (EFIM), we wish to extend our heartfelt condolences and support following the devastating weather conditions that have tragically impacted Spain. We are deeply saddened by the loss of lives and the significant hardship faced by communities across the country, particularly around Valencia.

We recognize the great challenges these tragic circumstances place on healthcare professionals. We stand in solidarity with our colleagues at SEMI and the Sociedad de Medicina Interna de la Comunidad Valenciana as you continue your critical work, offering medical care, compassion, to those in need during this difficult time.

We at EFIM are all united in supporting the Spanish Society in these difficult times and willing to help in any way we can.

With our deepest sympathy and firm support,

On Behalf of EFIM Executive Committee

Prof. Ricardo Gomez Huelgas
